Getting Ready for the Fair

Here are some helpful hints to help you prepare for a successful and fun 4-H fair.

Changes for 2024: Please read these guidelines carefully and completely. Any changes are shown in **RED**.

Horse Show times may be changed in the case of extreme heat.

Early Horse Show Registration **REQUIRED**

Entry forms for the horse shows are attached at the back of these guidelines. **Preregistration for all horse shows is REQUIRED BY THURSDAY, JULY 11th.** Exceptions will be considered by Horse Council. Every 4-H member who completes their forms and turns them in to their leader by July 11th will have his or her name entered into a drawing for \$50!

Horse Check-In on Wednesday

Horses may be brought in any time on Wednesday as long as someone stays with the horse(s) at all times. Check with club leader in advance for stall assignments.

Horse Health Records

It is very important that you bring your horses' vaccination records and original Coggins test reports to show at the beginning of fair **UNLESS your horse's papers have already been reviewed and accepted.** We ask 4-H members to use the "4-H Horse Health Form" from your record books. According to state law, you should always have a copy of your health records in your towing vehicle or trailer when transporting your horse. Don't forget the newest health requirements: annual Coggins testing and EHV vaccinations within six months of 4-H events.

Event Permission Forms

In addition to horse show entry forms and horse health records, every youth and adult attending fair horse activities must complete an event permission form. These forms are included in the horse show guidelines mailing and will be available in the announcer's booth.

Caring for YOUR Project Animals

The purpose of the 4-H fair is for youth members to showcase their 4-H projects to their families, friends and the public. This means showing how YOU, the 4-H youth member, care for and train your animal. Therefore, it is important that members do as much of the work possible to care for their animals while at the fair. In this light, please be aware of the following Horse Council rule:

In 4-H, we learn by doing, not by watching adults do it for us. 4-H horse project members are expected to provide all care for their project animals, including supplying adequate food and a constant supply of clean water, cleaning stalls, grooming, tacking up and exercising. Exceptions will be made in instances of safety concerns and when youth members are too small to tack up by themselves. As always, youth members are encouraged to help one another. Failure to adhere to this rule may result in members being asked to remove their horse projects from the fairgrounds.

Club Barn Exhibits

Each club is asked to make a barn exhibit to hang in front of one of their stalls. Club barn exhibits may be three-dimensional but must be fully contained on one 4' x 8' sheet of plywood.

Clubs receive extra points for using the theme in their exhibits. The 2024 4-H Fair theme is “**Oh the Places We Will Go with 4-H!**” It is important that work on the exhibit should be done by club youth members, not adults.

Youth Members' Stall Exhibits

Each member is asked to make a stall poster for each horse you bring to fair. You will need 22" x 28" poster board to fit in the wooden frames. They can include photos, drawings and information on you and your horse or on any horse topic you like. Be sure to make the type or print large, colorful and easy to read. Use standard thickness poster board only. Remember that the posters will hang vertically.

Night Watch Duty

Each youth member keeping an animal at the fair is asked to pay **\$10** toward the cost of a paid night watch guard.

Mandatory Barn Meeting

There will be individual club meetings for all exhibitors and their parents on Wednesday night, July 17th, for announcements and questions. Every club member who is showing must attend with at least 1 parent/guardian. These meetings can take place anytime on Wednesday evening. Attendance will be taken and turned into the office.

Work Night Schedule

4-H fair work nights are scheduled for May 22, 29; June 7, 14, 21, 28; and July 5 and 12. The weekend of July 13-14 is also a work weekend. There are plenty of service projects to be done and plenty of opportunities to get your four hours of fairgrounds community service done! Time spent on your club gardens may not count for fairgrounds service hours.

***ALL 4-H MEMBERS MUST COMPLETE THEIR 4 SERVICE HOURS
BEFORE MONDAY, JULY 15.***

4-H Fair General Guidelines

Don't forget to check your general guidelines to learn about all the other ways you can be involved in the 4-H fair! They will be mailed separately along with other information.

If you have any questions, don't hesitate to call the 4-H office at 465-5115, ext. 3605.
