Here is a great advertising opportunity for anyone who would like to be a part of the 2024 4-H Fair "34th Year" Herald Newspaper Supplement "and help raise money for YOUR 4-H Program"!

The 4-H Business Card "Mini Ad" Campaign

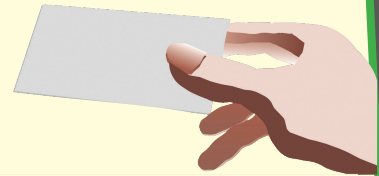

Here is how it works:

By special arrangement with *The Herald*, we are able to offer business card sized advertising at the **reduced price of \$40!** These "mini ads" are sized to fit on a business card (3.5" x 2") and will be featured on special 4-H pages throughout the supplement. This offer is extended to businesses as well as individuals that can use the space for sending a special greeting or message of congratulations. **In all cases, business card ads must be camera ready.** All you have to do is:

- ➔ Collect the business cards and the \$40. Be sure you have permission to submit the card and collect the money.
- ➔ Write the name of your 4-H Club on the back of the card.
- ➔ Turn them in to the 4-H office by **MONDAY, JUNE 24TH**
– either by mail or by delivering in person.

Remember 4-H members/clubs must collect the money.

**When 4-H sells Business Card ads it raises money for 4-H!
Checks may be made payable to "CMC 4-H Program Advisory Council"**
