WELCOME To Cape May County's 4-H Youth Development Program

The Rutgers Cooperative Extension 4-H Youth Development program uses a learn-by-doing approach to enable youth to develop the knowledge, attitudes, and skills they need to become competent, caring, and contributing citizens of the world. This mission is accomplished by using the knowledge and resources of the land grant university system, along with the involvement of caring adults.

The listing of clubs and programs currently active here in Cape May County is shown on the opposite side of this page. There is a contact name and telephone number included for each group.

We recommend that you speak with the contact person *before* going to your first meeting,

since some new clubs are in the process of forming and some of the existing ones may be re-organizing. Please also keep in mind that holidays and specific club events may cause changes to this general schedule.

In addition to 4-H clubs, we also offer partnership activities with various schools and other youth-serving organizations. Cooperating agencies include Rutgers, the State University of New Jersey; the US Dept. of Agriculture; and the Cape May County Board of Commissioners.

For additional information, please reach the 4-H Office at 465-5115 ext. 3605 or visit us at capemay.njaes.rutgers.edu.

The 4-H Youth Development Program is part of Rutgers Cooperative Extension. 4-H educational programs are offered to all youth, grades K-13, on an age-appropriate basis, without regard to race, religion, color, national origin, gender, sexual orientation, or disability. For additional information, contact Rutgers Cooperative Extension of Cape May County at (609) 465-5115 x 3605, Monday through Friday, from 8:30 AM to 4:30 PM, or at capemay.njaes.rutgers.edu or nj4h.rutgers.edu.

Visit our website at: <https://capemay.njaes.rutgers.edu/>
