The 4-H Business Card "Mini Ad" Campaign

Here is how it works:

By special arrangement with *The Herald*, we are able to offer business card-sized ads at the **reduced price of \$40!** These "mini ads" are sized to fit on a business card (3.5"x2") and will be featured on a special ad page in the supplement. This offer can be used to send a special greeting or message of congratulations. **In all cases, business card ads must be camera ready.** All you have to do is:

⇒ Collect the business cards and the \$40. Be sure you have permission to submit the card by having the business owner sign the back of the card.

⇒ Write your 4-H Club on the back of the card.

⇒ Turn them in to the 4-H office along with the \$40 by **MONDAY, JUNE 30TH!**

Remember, 4-H members/clubs must collect the money.

When 4-H sells Business Card Ads it raises money for 4-H!

Checks may be made payable to "CMC 4-H Program Advisory Council"
