

Cape May County Age Friendly Grant

Rutgers Cooperative Extension of Cape May County is conducting a survey on the needs and interests of older adults.

Survey For Older Adults

The information collected will help guide programs and services that meet the needs and interests of older adults, ensuring that Cape May County remains a welcoming place for all ages!

Survey takes 10-15 minutes & can be completed on a computer or smartphone

To request a hard copy of the survey or for additional information please contact: Christine Zellers, Rutgers Cooperative Extension Department of Family and Community Health Sciences, 609.465.5515 or zellers@njaes.rutgers.edu
